 - A. **Total Loans and Receivables to Customers** for the quarter stood at Php39.54 billion, a 26.9% increase versus the Php31.17 billion posted in the same period last year.
 - a. **Total Consumer loans** (or loans to individuals) climbed by 10.5% to Php20.75 billion due to significant expansion in the Bank's Auto Loan and Credit Cards-Issuing segments.

 - B. The Bank's **Total Deposits** for the period stood at Php57.50 billion, or a 5.4% increase from the same period last year, with the growth coming from low cost funds.
3. The Bank's **Net Revenues** stood at Php1.58 billion at the end of the first quarter, which is just a 2.9% decline despite significantly lower trading gains. EastWest's revenues for the period came mostly from its core businesses as trading gains contracted by 70.6% year-on-year, or down to just Php70 million from Php239 million in the same period last year.
 - A. **Net Interest Income** rose by 9.2% to Php1.09 billion versus year ago figure as the Bank continued to increase its lending business while managing its cost of funds.

4. Total Operating Expenses rose by a mere 2%, with the increase coming from manpower expenses as the Bank continued to beef up its talent pool.

NPLs that are 100% fully provided, the Bank's NPL ratio will be reduced to just 3.8%.

The Bank's Capital Adequacy Ratio (CAR) stood at 15.77% by end of first quarter, way above the minimum 10.0% required by the Bangko Sentral ng Pilipinas.

7. As of April 2011, EastWest Bank's total branch network reached 114 while the total number of ATMs was 119, deployed in both onsite and offsite locations. The Bank is planning to open 30 more branches in the succeeding months.
